Hi Michael,

Can you provide me with some times you can talk? I want to include our Chief Environmental Compliance Officer on the call.

Hi Enrique

Good to see you the other day. I heard that CD2 is doing it and I know the CM had something in his Motion about this. I wanted to see if we could start something in our District but wanted to see what it would cost and how to get such a thing going. Happy to talk on phone or sit down.
